## Aspen Fire Reference Sheet for Property Managers/Owners

### ACTIVE ALARM:

**\*\*IN CASE OF A FALSE ALARM, PLEASE ONLY CALL DISPATCH TO CANCEL ALARM *IF YOU OR OTHER KEYHOLDER IS ON SCENE, PERSONALLY OBSERVES NO HAZARD & HAVE PROPER PASSCODE.*\*\***

For R-1 and R-2 Occupancies (Hotels, Condos, Multi-Family occupancies) that have a monitored alarm system, the property representative should not reset alarm system. Alarm can only be silenced, not reset once it is a confirmed false activation. SMOKE AND C/O ALARMS SHALL BE TREATED AS IMPENDING EMERGENCY, AND BUILDING SHOULD BE EVACUATED. C/O CALLS CANNOT BE CANCELLED.

***TO CALL AND CANCEL A DISPATCH- (970) 920-5310***

### AFTER CANCELLATION:

It is the responsibility of the owners or representative of the home to call and update your personal contact information with your respective alarm monitoring company. They will ask you for you alarm system code or a passcode. Please have this ready. This is not a comprehensive list.
